One of the improvement opportunities for African Americans on the economic frontier is better utilization of basic tools in mainstream America. These tools include life insurance, long-term care planning, wills, trusts, & annuities. Pre-retirees can benefit from retirement planning & better understanding of survivor options. Savings for college funding should begin as early as possible. Business succession planning is important.

Special care and professional assistance should also be utilized when planning for children with special needs.

In addition to current living contributions, we should make bequests to our religious institutions, educational institutions, civil rights organizations, and/or charities.

The Wealth Gap

	Black	Latino	White	Overall
Average Household Wealth in 1983	\$67,000	\$58,000	\$355,000	\$304,000
Average Household Wealth in 2013	\$85,000	\$98,000	\$656,000	\$509,000

A Letter from Our Leader

Praise the Lord and welcome to all the delegates, members, and friends of the International Fellowship of Faith Ministries from around the world! The devastation, disease, and death of the worse pandemic in over 100 years seems to be passing over. For this we are glad and say: "Hallelujah!"

Nevertheless, several significant aftereffects remain for our families, communities, and churches to address. That is why we have chosen the theme: "You Must Be Born Again: Doing Ministry After the Pandemic."

During our Convocation, we will pray about it, preach about it, and teach about it in order to be able to do something about it. Please join us for our sessions, workshops, worships and International Concert as we plan and prepare to move forward as individual ministries and as an international missions force.

May God bless you, your family, and your ministry. Once again, welcome.

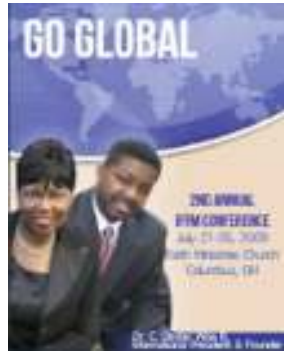

Yours in Christ,

Dr. C. Dexter Wise III
International President and Founder

Theme:

Ambassadors for Christ

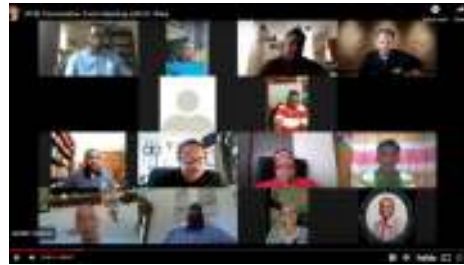

(II Corinthians 5: 20)

The corona virus shut down millions of events in 2020 and 2021, but not the IFFM Convocation. Instead of postponing it, we adjusted it and transformed it. It went forth as an online Convocation which, in many ways, had a greater reach and impact than any of the Convocations which preceded it. This groundbreaking Convocation had participants from 9 nations, four continents and the Caribbean!

Here are some of the highlights:

Dr. Shirley D. Wise and Rev. Sheri Chaffin hosted the Worldwide Praying Women

IFFM Leadership meeting on Zoom with leaders from Peru, Sierra Leone, Las Vegas, Dominican Republic, Philippines, Canada, Nigeria, and Columbus, OH

IMPACT 2022

Liberia

Nigeria

South Africa

Kenya

Nepal Sierra Leone

Make a global IMPACT by donating to the development of mission-oriented micro-businesses and projects sponsored by IFFM Chapters around the world.

Dr. C. Dexter Wise III, Pastor
Dr. Shirley D. Wise, First Lady

Each of these proposed projects meet a vital local community need, while at the same time generating funds to sustain the ongoing operation of their respective IFFM mission chapters.

They include: a chicken farm in Nepal; a cucumber farm in Sierra Leone; a print shop in Nigeria; computer repair in South Africa; cleaning and revitalizing a trash heap in Liberia; providing solar panels for a village in Kenya and more. **Each of these projects has an average budget of \$500.**

**Our goal is to raise \$10,000 by
Resurrection Sunday, April 17, 2022.**

We invite our members, friends, sister churches, businesses and well-wishers to consider sponsoring all or part of one of these projects. Your donation of any amount, large or small will IMPACT a life, IMPACT a community and IMPACT the world!
